Description of Services:

We will provide individualized academic tutoring instruction and counseling (always One-to-One) for students on the eligible roster who contact our office to initiate the services. We serve students in all grade levels (from K-12th grade) plus adult/college level. Tutoring/Counseling services are done at the student's home, local library, or virtually via Zoom, whichever the student/parent/guardian prefers.

We have been providing one-to-one educational services for 41 years, since 1983. We are a California Department of Education (CDE) Approved Non-Public Agency (NPA). We have a strong, proven record with over 300 school districts throughout California, improving academic skills, motivating students, and building self-confidence. We have also contracted with Redlands USD since 2010.
