ACTION ITEM

Adopt Resolution No. 31, 2023-24, Use of RDA Pass-Throughs Per AB 1290 In Compliance with Health and Safety Code Section 33607.5 and Education Code Sections 42338 ET SEQ (Appendix Item).

AGENDA ITEM DESCRIPTION

While former redevelopment agencies (RDAs) were dissolved on February 1, 2012, RDA "Pass-Through" payments have continued to be paid from RDA "Project Areas" by the County Auditor-Controller, including statutory AB 1290 Pass-Throughs for seven Project Areas. Per statute, the Facilities Share (56.7%) of the seven AB 1290 Pass-Throughs is effectively restricted to educational facilities that are located (i) inside each Project Area, or (ii) at other geographically restricted sites. However, this "AB 1290 Compliance Resolution" makes certain determinations and findings that allow the Facilities Share of AB 1290 Pass-Throughs to be used anywhere within the District without geographical restriction. This resolution also (i) ratifies all prior uses of AB 1290 Pass-Throughs as being in compliance with the resolution; and (ii) affirms that permitted uses for educational facilities include, among other things, land acquisition and hard and soft facilities costs, and operating lease and lease purchase payments and costs for routine and restricted maintenance for benefit of the General Fund.
