ITEM TYPE: Consent Item
DEPARTMENT: Business Services

ACTION ITEM

Ratify/Approve Agreement with Citrus Counseling Services, Inc. to provide mental health services to students, effective July 1, 2024 through June 30, 2026, at a cost not to exceed \$30,000.00, across 2 years, to be funded by Local Control Accountability Plan Funds (Appendix Item).

AGENDA ITEM DESCRIPTION

In partnership with Redlands Unified School District (RUSD), Citrus Counseling Services (CCS) provides mental health and psychoeducational services to students. These services are utilized to fill the service gap for students who are experiencing mental health concerns (such as anxiety, depression, or suicidal ideation) who do not qualify for state and county-funded programs. Referred students receive a screening to assess for state or county-funded program qualifications. If the student qualifies, CCS provides services and bills the state or county. If the student does not qualify, they are offered services utilizing the student's insurance coverage or to pay out of pocket. If students need to receive care as soon as possible, and are not able to access services through non-district funding sources (county-funded programs, their insurance, or cannot pay out of pocket), RUSD authorizes funding for mental health services for the student based on the clinical need.
