AGENDA ITEM DESCRIPTION

This CRY-ROP Joint Powers Agreement was originally adopted on June 21, 1971 under the provisions of Title I, Division 7, Chapter 5, Article 1 (Section 6500, et seq.) of the California Government Code, relating to joint exercise of powers among the Colton Joint Unified School District, the Yucaipa-Calimesa Joint Unified School District and the Redlands Unified School District. This will be the tenth amendment to the agreement. The agreement provides the establishment of a Regional Occupation Program that will train primarily high school students residing in the participating districts to provide them with high quality and economic career technical education and employment skills. The Regional Occupation Program will also serve persons who reside in a participating district, are not enrolled in a high school, and will benefit from career technical education services in addition to regular adult students with a high school diploma or recognized equivalent or individuals age eighteen (18) and over.
