Ratify/Approve Agreement with the Redlands Educational Partnership (REP), for the District to act as fiscal agent for the After School Educational and Safety (ASES) Grant, in conjunction with Expanded Learning Opportunities Program Grant, to forward proceeds to REP, to fund the program agreement between REP and the YMCA of the East Valley, not to exceed \$1,882,943.90, effective July 1, 2024 through June 30, 2025 (Appendix Item).

AGENDA ITEM DESCRIPTION

The Redlands Educational Partnership is contracting with the YMCA of the East Valley to provide staffing for the After School Education and Safety grant from the CDE. The YMCA, as a community organization, brings its 100+ years of experience in serving youth to the students in Redlands schools. Local, family-oriented, and well-experienced, the Y staff will help the ASES program reach a new level of success by driving grant-funded dollars toward direct services to students without the need for large amounts of overhead.

All of the ASES programs have shown they benefit from the collaborative partnerships the AAA Academy director cultivates with them and with partnering agencies such as the University of Redlands Community Engagement Program, Girl Scouts, Inland Empire Resource Conservation District, Climate Action Corp, TreeStock, Redlands Police Department, Redlands Community Center, and the Burrage Buddies Program of the Rochford Foundation. Equally, the YMCA brings many more partners to the ASES sites that will result in enhanced opportunities for our students.
