CTEIG AGREEMENT

This memorandum of understanding sets forth the terms of agreement between the Colton- Redlands- Yucaipa Regional Occupational Program (CRY-ROP) and Redlands Unified School District (hereinafter "District") with regard to participation in the California Career Technical Education Incentive Grant (CTEIG) Program funding.

CTEIG provides funding to encourage, maintain, and strengthen the delivery of high-quality career technical education (CTE) programs. Districts will receive a portion of the allocation based on the respective district percentage. The funding may be used for additional high school or middle school sections outside of the Joint Powers Agreement. If additional allocated sections are not used, the remaining funding from those sections will be passed through to the District. Those funds must be used toward allowable and allocable CTE expenditures.

Districts participating in the MOU agree to the required grant assurances and compliance with all requirements as a grant recipient for CTEIG funding, as outlined in EC Section 53071.
