AGENDA ITEM DESCRIPTION

In accordance with E.C. 64000 [i] all School Plans for Student Achievement shall be reviewed and approved by the local governing board on an annual basis and as needed following a material and/or substantive change.

The templates for the Local Control and Accountability Plan (LCAP) and the School Plan for Student Achievement (SPSA) are designed to work together. The LCAP is a local educational agency (LEA) level planning document with a three-year timeline, while the School Plan is specific to a school site with a one-year term. An LEA and its schools benefit from the use of a shared vocabulary and planning process that is embedded in a context of continuous improvement.

Plans follow a sequence of planning stages, which begins with the identification of resource inequities, as applicable, and a review of past performance as addressed in the Analysis sections of each plan. The School Site Council (SSC) shall develop the content of the SPSA (EC Section 64001[g][1]). The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the LCAP, if any, by the SSC (EC Section 64001[i]).
