Mr. Juan Cabral, Superintendent  
Redlands Unified School District  
20 West Lugonia Avenue  
Redlands, CA 92374

Dear Mr. Cabral:

Thank you for your continued partnership during the Williams monitoring process. As part of my responsibilities under California Education Code section 1240, I am required to visit Williams-monitored schools in our county each year and share my findings with you on a quarterly basis (October, January, April, and July). This report is your district's third quarterly report for the 2024-25 school year.

Additionally, Education Code section 1240(c)(2)(C) requires that the results of these visits be shared with your governing school board at a regularly scheduled meeting held in accordance with public notification requirements. ***Please add this report to the agenda for your upcoming Board meeting.***

In summary, there are no findings to report in the following areas:

**1. Instructional Materials**

The instructional materials sufficiency reviews were conducted during the first quarter of the 2024-25 fiscal year as part of the Williams site visitation process and the findings were reported in the first quarterly reports generated in October 2024.

**2. School Accountability Report Cards (SARC)**

The SARC reviews were conducted during the second quarter of the 2024-25 fiscal year and the findings were reported in the second quarterly report generated in January 2025.

**3. School Facilities**

The facilities inspections were conducted during the first quarter of the 2024-25 fiscal year as part of the Williams site visitation process and the findings were reported in the first quarterly reports generated in October 2024.

**4. Teacher Assignments**

The 2023-24 annual assignment monitoring review findings were reported in the second quarterly report generated in January 2025. The annual assignment monitoring review for the 2024-25 fiscal year will begin once the necessary data is available from the Commission on Teacher Credentialing (CTC) and the California Department of

Education (CDE), and a preliminary review of the data has been conducted by our reviewers. Findings will be available in the corresponding quarterly report.

On behalf of the SBCSS Williams team, it is a pleasure to work in collaboration with you and your staff at Redlands Unified School District.

Sincerely,
