ACTION ITEM

Adopt Resolution No. 32, 2023-24, Resolution of the Board of Education of the Redlands Unified School District Approving an Increase in Statutory School Fees Imposed on New Residential and Commercial/Industrial Construction Pursuant to Education Code Section 17620 and Government Code Section 65995 (Appendix Item).

AGENDA ITEM DESCRIPTION

The District has reviewed the facts set forth in the Fee Justification Study entitled "School Facilities Fee Justification Report" prepared by Key Analytics, May 2024, and has determined that the study is reflective of the average student generation rates, amount of future development and costs of school facilities to accommodate the students generated from such construction. Based on the facility cost impacts to the District for the average new home and for commercial/industrial construction, the District is justified in collecting the maximum Statutory School Fees for new residential construction in the amount of \$5.17 per square foot and for all commercial/industrial construction in the amount of \$0.84 per square foot. This fee amount goes into effect 60 days following adoption of Resolution No. 32, 2023-24.
