### ACTION ITEM

Ratify/Approve Agreement with the CollegeBoard to administer the PSAT and SAT Test for all 8th -11th grade students at Beattie Middle School, Clement Middle School, Cope Middle School, Moore Middle School, Citrus Valley High School, Redlands East Valley High School, Redlands High School, eAcademy/RISE, and Orangewood High School; and the SAT for all 11th and 12th grade students at Citrus Valley High School, Redlands East Valley High School, Redlands High School, eAcademy/RISE, and Orangewood High School, effective July 1, 2024 through June 30, 2025, at a cost not to exceed \$210,240.00, to be funded by Local Control and Accountability Funds (Appendix Item).

### AGENDA ITEM DESCRIPTION

RUSD, in a coordinated effort with the CollegeBoard, will be offering the PSAT for all 8th - 11th grade students and the SAT for all 12th grade students in October 2024. Additionally, RUSD will be offering the SAT for all 11th graders in March, 2025. The costs associated with the PSAT and SAT administration will be paid out of LCAP funding and therefore, free of cost to all students. Providing the PSAT and SAT during the school day increases the total number of students participating in the testing administration and helps to eliminate any financial or transportation barriers students might otherwise encounter. The PSAT/SAT testing administration will be the central component around which the activities for the RUSD College Focus Month will be built during the month of October, 2024. This unique opportunity for RUSD students supports the LCAP goals and provides students with yet another opportunity to enhance their ability to be college-ready.
