RE: Fingerprinting

Dear Redlands Unified School District,

This letter is to document that all of our psychologists have been DOJ and FBI background checked as part of the process for becoming licensed psychologists in the state of California. The state of California Board of Psychology maintains the results of those background checks. All of our psychologists maintain an active license when conducting evaluations through our group practice. Also, as per Education Code Section 45125.1, we would have limited contact with students since none of our services would be conducted on the school campus, except for the school observation. The observation would be approximately one hour, would include no direct contact with students other than observing them in the classroom and would presumably be monitored the entire time by a district employee (e.g. the classroom teacher or other district employee). For additional information regarding licensing status, you may visit the following website:

<https://search.dca.ca.gov/>

Dr. Aileen Arratoonian, Dr. Michael Cao or Jennifer Most, LEP would be conducting the requested IEEs.

Sincerely,

A handwritten signature in black ink that reads "Timothy Gunn, Psy.D.".
