Day of the Teacher (CTA's California day of the teacher)

Whereas, teachers in the Redlands Unified School District are conscientious, well-qualified professionals; and

Whereas, assisting children to reach their highest potential is a demanding career, requiring dedication and a caring nature; and

Whereas, eminently qualified teachers are needed for the schooling of a well-educated citizenry; and

Whereas, the free public education available to all Americans is essential to this nation's democracy; and

Whereas, the second Wednesday in May has been designated **Day of the Teacher** by the California Legislature; and

Whereas, the observance is an opportunity to thank teachers for dedicating their professional lives to our children; and

Whereas, the occasion is not only a chance to honor teachers, but to encourage more young people to plan careers in the classroom; and

Whereas, the Board urges members of the community to let teachers know how much their hard work and dedication is appreciated; and urges students to consider teaching as a career.
